Attempted Delivery Date and Time

Signature of Person Certifying Lead Pamphlet Delivery

Unit address

Note Regarding Mailing Option – As an alternative to delivery in person, you may mail the lead hazard information pamphlet to the owner and /or tenant. Pamphlet must be mailed at least seven days before renovation. Mailing must be documented by a certificate of mailing from the post office.

Clearance Requirement: The Owner of the above property is required to obtain the services of a RI Certified Lead Inspector or Lead Inspector Technician of their choosing to conduct a final clearance inspection and issue a Certificate of Acceptable Dust Clearance or if applicable, Lead Safe Certification. The Lead Hazard Control Firm must receive and retain a copy of the clearance certificate in their records. If the property owner designates the Firm to arrange for the clearance inspection, the Firm is required to obtain the services of a RI Certified Lead Inspector or Lead Inspector Technician of their choosing to conduct a final clearance and issue applicable Certification. Containment cannot be removed until the dust wipe samples pass clearance.

Clearance Test Certification – I certify that I informed the owner of the Clearance Requirement. I also certify the Start Work Notification for Remodeling & Renovations (PBLC 9-A) documenting the Owner or Firm as indicated below will be responsible to arrange for the clearance testing will be submitted to the Department of Health.
